

The most qualified electrical wires & cables

L.C. Premium Cables
Manufactured With Technical Know How
From **BRODFORT CABLES**

Quality especially made for **high-end** residential and commercial projects

Suitable for minus10° temp to +150° temp

Flexible House Wiring L.C. Premium **HR P.V.C.** Insulated Domestic/ Industrial twisted unsheathed single core wire 100% pure copper conductor flexible 1100 V. grade conforming to IS : 694/1990 with latest ammendments

Nominal area of Conductor Sq.mm.	Number/Nom Dia. Of Wire mm.	Amps.	Resistance (Max.) per Km.@20 C Ohms	Price Per 90 Mtrs.Roll INR
0.50		04		0.50 - Rs. 560.00
0.75		07		0.75 - Rs. 820.00
1.0	14/.30	12	18.1	1.0 - Rs.1020.00
1.5	22/.30	15	12.1	1.5 - Rs.1520.00
2.5	36/.30	20	7.4	2.5 - Rs.2460.00
4.0	56/.30	26	4.9	4.0 - Rs.3620.00
6.0	85/.30	35	3.3	6.0 - Rs.5620.00
10.0	141/.30	49	1.9	10.0 - Rs.9200.00
16.0		68		16.0 -Rs.15600.00

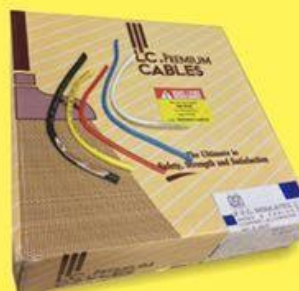

Extra safety : F.R.L.S. cables with Fire Retardant Low Smoke features, from **L.C.Premium** are manufactured with specially formulated compounds, which retard the spread of Fire. Available at no extra cost and uniformly laid, bright annealed copper conductor.

Double Protection : Double insulation, primary thick layer of natural virgin extra strong **HR PVC**, for improved insulation - brimmed by distinct secondary thin colour layer of **FRLS** PVC skin.

Perfect Centre : Intelligent automatic self centering machines to provide the perfect centre of conductor, reducing short circuits.

Perfect wire Dia : Microprocessor controlled laser beam systems on production line.

Standard Colours :-
Red, Yellow, Blue, Black, White and Green
